Product Details	
Product Name	DK7-X.250AF-RUL
Material	Shield- Polycarbonate; Attachment System- Plastic alloy w/ aluminum arms and steel inserts/components.; Liquid Seal- Rubber
Color	Shield- Clear Attachment System- Black
Product Weight	1.5 lb.
Specification	NIJ 0104.02
Description	Rail-mount tactical face shield w/ liquid seal designed to fit United Shield® combat helmets w/ side rails. Shield locks into the stowed, deployed, or halfway positions and can be released with one hand. Pivot and lock assembly can be transferred to right or left of the shield for individual preference. Shield length is 6 inches. Shield thickness is .250 inches. Premium coated.
Competitive Advantage	Unparalleled fit and function over any similar product. Shield has a V-50 rating to withstand fragmentation, while the premium anti-fog and anti-abrasion coatings give the shield a longer service life. Optically correct lens minimizes distortion and optimizes visibility. Integral rubber seal prevents liquid pass-through.
Applications	Police, Sheriff, National Guard, University Police, Riot Squad, Jail, Military
