Forté®

SEATING & TABLES

Forté® Seating

Forté® is a designer series of furniture fashioned for comfort, flexibility, and durability. With a variety of colors to choose from and an upholstery option, this series is made to humanize intensive-use environments and includes a lounge chair and guest chair that come with or without arms. These products are engineered and proven suitable for daily use in demanding environments.

Guest Arm

Lounge Arm

Guest Armless

Lounge Armless

Features That Matter - Forté® Seating

Ballastable

Ballasting offers additional security by adding weight, reducing the risk of moving or throwing the chair.

Easy Cleanability

Bleach solutions and hospital-grade cleaners can safely be used for sanitation without effecting the surface material or color.

Bolt-Down & Ganging Capability

For additional security, this chair can be anchored to the floor with an optional bolt-down kit and fastened together with an optional ganging kit.

Optional Tamper Resistant Upholstery

Optional upholstery is double stitched with concealed staples for additional durability and for the safety of residents and staff.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff – even when positioned in unsupervised spaces.

TruColor™ Technology

Our premium TruColor™ technology creates full and consistent coloring that is void of any streaks, speckles or other color disruptions.

Ergonomic Design

A generous seat width coordinates with appropriate seat and arm height for proper ergonomics and easy egress – perfect for residents with reduced mobility.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Non-Removable Glides

Non-removable, steel encased floor glides protect the floor from scratching without risking the safety of residents and staff.

Forté® Café Table

The Forté® Café Table has a molded cylindrical hour glass base that pairs with Forté® Guest Chairs. Available as molded, round or square laminated top. Engineered and proven suitable for daily use in demanding environments.

Molded Round
36"

Laminate Round
42" & 48"

Laminate Square
42"

Features That Matter - Forté® Café Table

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff.

Contraband Resistant

Specifically designed without any creases or nooks to mitigate the ability to hide contraband.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Ballastable

Ballasting offers additional security by adding weight, reducing the risk of moving or throwing.

Secure Molded Edge

The molded edge is radiused for comfort and pressure fused to the extra strength top, making it permanently fixed, highly sanitary and pick resistant.

Tamper Resistant

The base and top are securely attached with embedded T-nuts and pin-in Torx head security hardware to create a safe, steel-to-steel connection engineered to not loosen over time.

Easy Cleanability

The laminate top is stain and moisture resistant, allowing for bleach solutions and hospital-grade cleaners to safely be used for sanitation without effecting the surface material or color.

Superior Tabletops

The premium grade, extra thick top is faced with high-pressure laminate for scratch and impact resistance, providing superior quality and long-term durability.

Non-Removable Glides

Non-removable floor glides protect the floor from scratching without risking the safety of residents and staff.

Forté® Occasional

This Forté® Occasional Table, is a free-standing commercial table that can be optionally gained with lounge seating for intermediate or corner tables. All tops come with embedded t-nuts for a secure steel-to-steel connection.
